# SEPTEMBER 20, 2019
# ENERGY EFFICIENCY, PRODUCTIVITY IMPROVEMENT, AND POLLUTION PREVENTION (P2) WORKSHOP

The Industrial Assessment Center (IAC) in the Industrial and Management Systems Engineering (IMSE) Department at West Virginia University will be hosting the Productivity Improvement & Energy Efficiency workshop. Please join us to learn about the technical assistance, funding and training opportunities that can assist your facility with identification, development and adoption of Energy Efficiency and Pollution Prevention (P2) approaches.

Registration for the workshop is FREE. Click here to register for the workshop. Registration deadline is September 18, 2019.

Please contact Dr. Ashish Nimbarte, Ashish.Nimbarte@mail.wvu.edu, if you need additional information regarding the workshop.

**8:30 am to 8:45 am**
**Introductions**

—————

**8:45 am to 9:45 am**
**Presentation on "Productivity Improvement & Energy Efficiency programs offered by WVU-IAC"**

—————

**10:00 am to 10:45 am**
**Presentation on "Finance your energy efficiency projects"**

—————

**11:00 am to 11:45 am**
**Training sessions/workshop on "Productivity Improvement tools"**

—————

**12:00 noon to 1:00 pm**
**Lunch break**

—————

**1:00 pm to 1:45 pm**
**Training sessions/workshop on "Energy Efficiency tools"**

—————

**2:00 pm to 2:30 pm**
**Group discussion "Take home message"**

—————

**Adjourn**

Location
Hampton Inn Huntington-University Area, 177 Kinetic Drive, Huntington WV-25701
